

## INDECENT DRESSING

There are different modes of dressing around the world reflecting the various available cultures. A particular mode of dressing is becoming rampant, thereby turning into a culture of insanity in dress modes of a given group of people. Indecent dressing appears among both married and unmarried persons; particularly among our youth in the higher institutions of learning. Youths of nowadays do not bother about how they dress. It is well known that the way you dress form the part of impression that people will have about you. Students in higher institution of learning dress indecently and abnormally. This can be buttressed by such dresses that expose one's breast, chest, abdominal parts, buttocks and other sensitive parts. It is not uncommon to see young girls particularly students dressed in transparent materials, mini-skirts that expose thighs, blouse that expose their breast. This act, the holy book (Bible) forbids.

On the other hand, young men also dress indecently when their inner wears (boxers) are exposed above their trousers.

Some parents encourage their female children to do so in order to attract suitors instead of rebuking and correcting them. Even in the churches, you see some people coming into the church half naked, those who are supposed to be models for the younger ones.

The consequences of indecent dressing are obvious. It speaks evil of the society where it is obtained. Irresponsible, undisciplined and greedy men are attracted to such ladies and this leads to rape of young ladies, sexual assaults, tendency to steal and loss of respect to mention but a few.

The way out of this nonsense is for adults in the society to dress well and honorably to constitute good models for the younger generation. We have to bear in mind. That the way we dress is the way you will be addressed. let us know that what makes human being superior to other mammals in the evolution process is our sense of reasoning. so, let us dress decently, admirably and be worthy of emulation.

Bible the word of God said that women should  
Not wear that which pertains unto men, neither  
Shall men put on women's garment for all that do  
So are abomination unto the LORD thy God.  
(Deuteronomy 22 verse 5)
