

## **POEM ABOUT CREATIVE MODEL INTERNATIONAL SCHOOL**

### ***Oh! Creative Model International School.***

*The School whose name rings a bell  
The School that has carved a niche in the temple of fame  
The School that has refused to be dwarfed by giants around  
Your physical and moral potentialities  
Has blossom into academic excellence.*

### ***Oh! Creative Model International School.***

*The Creative in thy name is not a misnomer,  
You have indeed won veneration on Earth  
The beautiful school with obedient students and diligent staff  
With magnetizing and infectious personalities  
Your awe-impairing success is not far-fetched*

*I came that they might improve more  
My welcome is a novelty and a blessing  
Creative Model International School will forever linger in my memory  
Creative Model international school I rate you high  
If I ever have to stay in private school I will stay here.*

*Vice Principal,*
